

# QUARTIER ARRENBERG

## 01 FARMBOX

**Parking lot »Steinbecker Meile«  
klimaquartier-arrenberg.de**

Urban farming, CO<sub>2</sub>-free energy generation and sustainable mobility: a sea container is the central meeting point where Wuppertal residents can meet and talk about the transformation initiative towards a »climate-neutral« Arrenberg neighbourhood.

15:00 – 18:00

## 02 TRINITATISKIRCHE

**TRINITATIS CHURCH**

**Arrenberger Str. 10  
ladach.de**

Since 1999, the Trinitatis Church is used as exhibition space and showroom for old church organs.

15:00 – 18:00

## 03 EV. KIRCHENGEM.

**CENTRE OF THE PROTESTANT  
CHURCH COMMUNITY  
ELBERFELD-WEST**

**Arrenberger Str. 10  
elberfeld-west.de**

Leaving no one behind in urban transformations: Students will present results from research projects about the perspectives of elderly people on neighbourhood development and on urban gardening as a way of bringing together old and young people, and locals and refugees.

15:00 – 21:00

## 04 ARRENBERG. HÖFE

**ARRENBERG COURTYARDS**

**Arrenberg'sche Höfe 4  
arrenberg-hoefe.de**

The Arrenberg Courtyards show how innovative and sustainable property development strategies can contribute positively to the development of entire neighbourhoods.

15:00 – 18:00

## 05 PROVIEL GMBH

**Milchstr. 5**

Revitalization, change, work and inclusion: Proviel has turned an old abandoned industrial site into workshops where around 500 people with mental illnesses are now being employed.

15:00 – 21:00

## 06 DALSTER FARM

**Familie Mucha  
In der Dalster 1**

This former farm on the edge of the Arrenberg neighbourhood was re-built as a one-family house. The Mucha family living there today has provided some of the original agricultural area for urban gardening projects.

15:00 – 18:00

## 07 F+K DESIGN

**Federmann und Kampczyk  
design gmbh  
Güterstr. 20  
edermann-kampczyk.de**

Sustainable Design: the building complex Güterstr. has turned from an old industrial site into a modern design office with a focus on communicating sustainability.

15:00 – 18:00

## 08 IMPULS ART

**Viehhofstraße 154**

The project »Impuls Kunst« (»Art Impulse – Arrenberg Artists – Vol. 6«) exhibits photographs, digital art, kinetic objects and visual art in the cinema auditorium of the old communication centre »Impuls«. In the evening »artistic bites« will be served.

15:00 – 21:00

## 09 ARRENBERG FARM

**Bahnbrache Viehhofstr.  
klimaquartier-arrenberg.de**

60.000 m<sup>2</sup> of fallow land will soon turn into an urban farm. The local

initiative for transforming the Arrenberg neighbourhood will inform about the planned project.

15:00 – 18:00

## 10 VILLAMEDIA

**Energienetzwerk VillaMedia  
Viehhofstr. 125  
villamedia.de**

This former slaughterhouse is a central transformation hub in the Arrenberg neighbourhood. The building complex is home to 20 businesses and is operated in a completely climate-neutral way powered by a combined heat and power unit, a solar power system and using electric vehicles.

15:00 – 21:00

## 02 ROBERT-DAUM-PLATZ

**Take the suspension railway from  
Robert-Daum-Platz to Westende.**

## 03 HEIZKRAFTWERK

**HEATING AND POWER STATION**

**WSW-Heizkraftwerk  
Friedrich-Ebert-Str. 191**

This coal-fired power station opened in 1900 will be closed in 2019 and today serves as the location where Wuppertal's municipality-owned utility company will invite you to discuss energy transition perspectives. In the evening, images by local artist Kai Fobbe will be projected onto the 200-metre high chimney.

## 04 U-CLUB

**Friedrich-Ebert-Str. 191  
u-club.de**

One of the most famous clubs in Germany for Hip Hop and Reggae music and concerts in the historic building of a former brewery.

15:00 – 18:00

## 05 09 GUTENBERGPLATZ

**GUTENBERG SQUARE**

**Simonsstr. 80 / Gutenbergplatz**

In the old »comradeship house«, children's paintings of favourite places in the neighbourhood will

be presented and awarded. As part of the Restaurant Day Pasta & Pesto will be served in the evening.

15:00 – 21:00

## 06 GENERATION DESIGN

**Bärenstr. 11 – 13  
generationdesign.de**

In the workshop »Innovation – Experience & Revitalize« an innovation map for the Arrenberg neighbourhood will be developed. The workshop is open to all interested participants. In the evening, a typical German snack (»Brotzeit«) will be served.

15:00 – 21:00

## 07 VISUAL AKADEMIE

**Bärenstr. 11 – 13  
visual-akademie.de**

The training and service centre for high-end visualisations Visual Akademie presents development processes and results of Virtual Reality projects. In the evening, specialty dishes from the Middle East will be served.

15:00 – 21:00

## 08 ALTE TEXTILFÄRBEREI

**OLD TEXTILE DYEING FACTORY**

**Gutenbergstr. 12  
wijld.com**

In the historic factory building (1870), sustainable fashion made of wood will be presented by the Start-up company Wijld (wijld.com). In the evening, residents of the old factory building will become cooking DJs and invite you for »Loops & Soups«.

15:00 – 21:00

## 09 BEHINDERT – NA, UND?

**HANDICAPPED – SO WHAT?**

**Förderzentrum Arrenberg  
Simonsstr. 34 – 36**

In a former school building a local initiative (»Förderzentrum Arrenberg«) offers sports and leisure activities, inclusion support and counselling services for children and youths with disabilities and special needs.

15:00 – 18:00

## 10 11 PILOT SIMONSSTR.

**PILOT SIMONS ST**

**Simonsstr. 36 (Beer garden)  
klimaquartier-arrenberg.de**

Get to know the pilot project »Simonsstraße«: Building shared energy and mobility infrastructures for 25 buildings, 120 appartements, 300 residents and users.

15:00 – 21:00

## 01 OHLIGSMÜHLE

**Take the suspension railway from  
Ohligsmühle to Robert-Daum-Platz  
to start Route C.**

## 02 WUPPERWEG

**WUPPER PATHWAY**

**Robert-Daum-Platz**

The Wupper river has long been a purely industrial river, driving the mills of the city's early textile industry. Today, the Wupper is re-discovered as natural and recreational space in the city. The Wupper Pathway walks you through the history of the Wupper river.

15:00 – 18:00

## 03 ELBA-AREA

**around the Moritzbrücke  
(Moritz Bridge)**

The metamorphosis of the »ELBA-area« from the production site of ELBA folders to an urban wasteland, an artistic site and today again a workplace for hundreds of people symbolizes perfectly the transformation of Wuppertal.

15:00 – 18:00

## 04 INTERNAT. BUND

**Simonsstr. 6, Terrace Moritz Bridge  
internationaler-bund.de**

The International Bund (IB) is a non-profit organization in the field of youth and social work, education and labour market services. In the ELBA-Building 250 people take part in educational, social and language integration activities. The IB informs about its work and offers international dishes during the Restaurant Day.

15:00 – 21:00

## 05 ATELIER KOMOTZKI

**STUDIO KOMOTZKI**

**Moritzstr. 6  
andreaskomotzki.de**

Photo exhibition and poetry on everyday life at the Arrenberg: »Slow Day – view from the artist's studio«.

15:00 – 21:00

## 06 ALTE PAPIERFABRIK

**OLD PAPER MILL**

**Friedrich-Ebert-Str. 130  
altepapierfabrik.eu**

The paper mill has been built more than 100 years ago and today the 14.000 m<sup>2</sup> of this old-industrial estate hosts restaurants, office spaces, sports and event locations.

15:00 – 18:00

## 07 GEBURTSHAUS FR. BAYER

**BIRTH HOUSE OF FR. BAYER**

**Friedrich-Ebert-Str. 146  
rsw-anwaelte.de**

The former residence of industrialist Friedrich Bayer Jr. (born 1851) looks rather unimpressive from outside, but inside you will discover a fairy-tale castle.

15:00 – 18:00

## 08 INNENHOF SCHOLZ

**COURTYARD SCHOLZ**

**Friedrich-Ebert-Str. 143**

Home of artists and creative minds in a former metal goods factory built during the late 19th century.

15:00 – 18:00

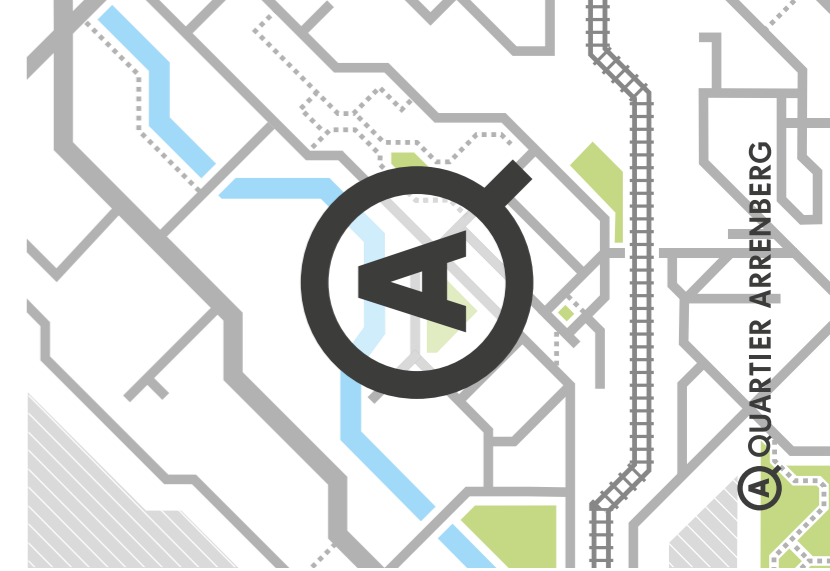

## 10 STADTEILBÜRO

**NEIGHBOURHOOD OFFICE**

**Aufbruch am Arrenberg e. V.  
Simonsstr. 49  
aufbruch-am-arrenberg.de**

»Transformation Headquarter« of the Arrenberg Initiative.

15:00 – 18:00

**Making  
Utopia  
possible**

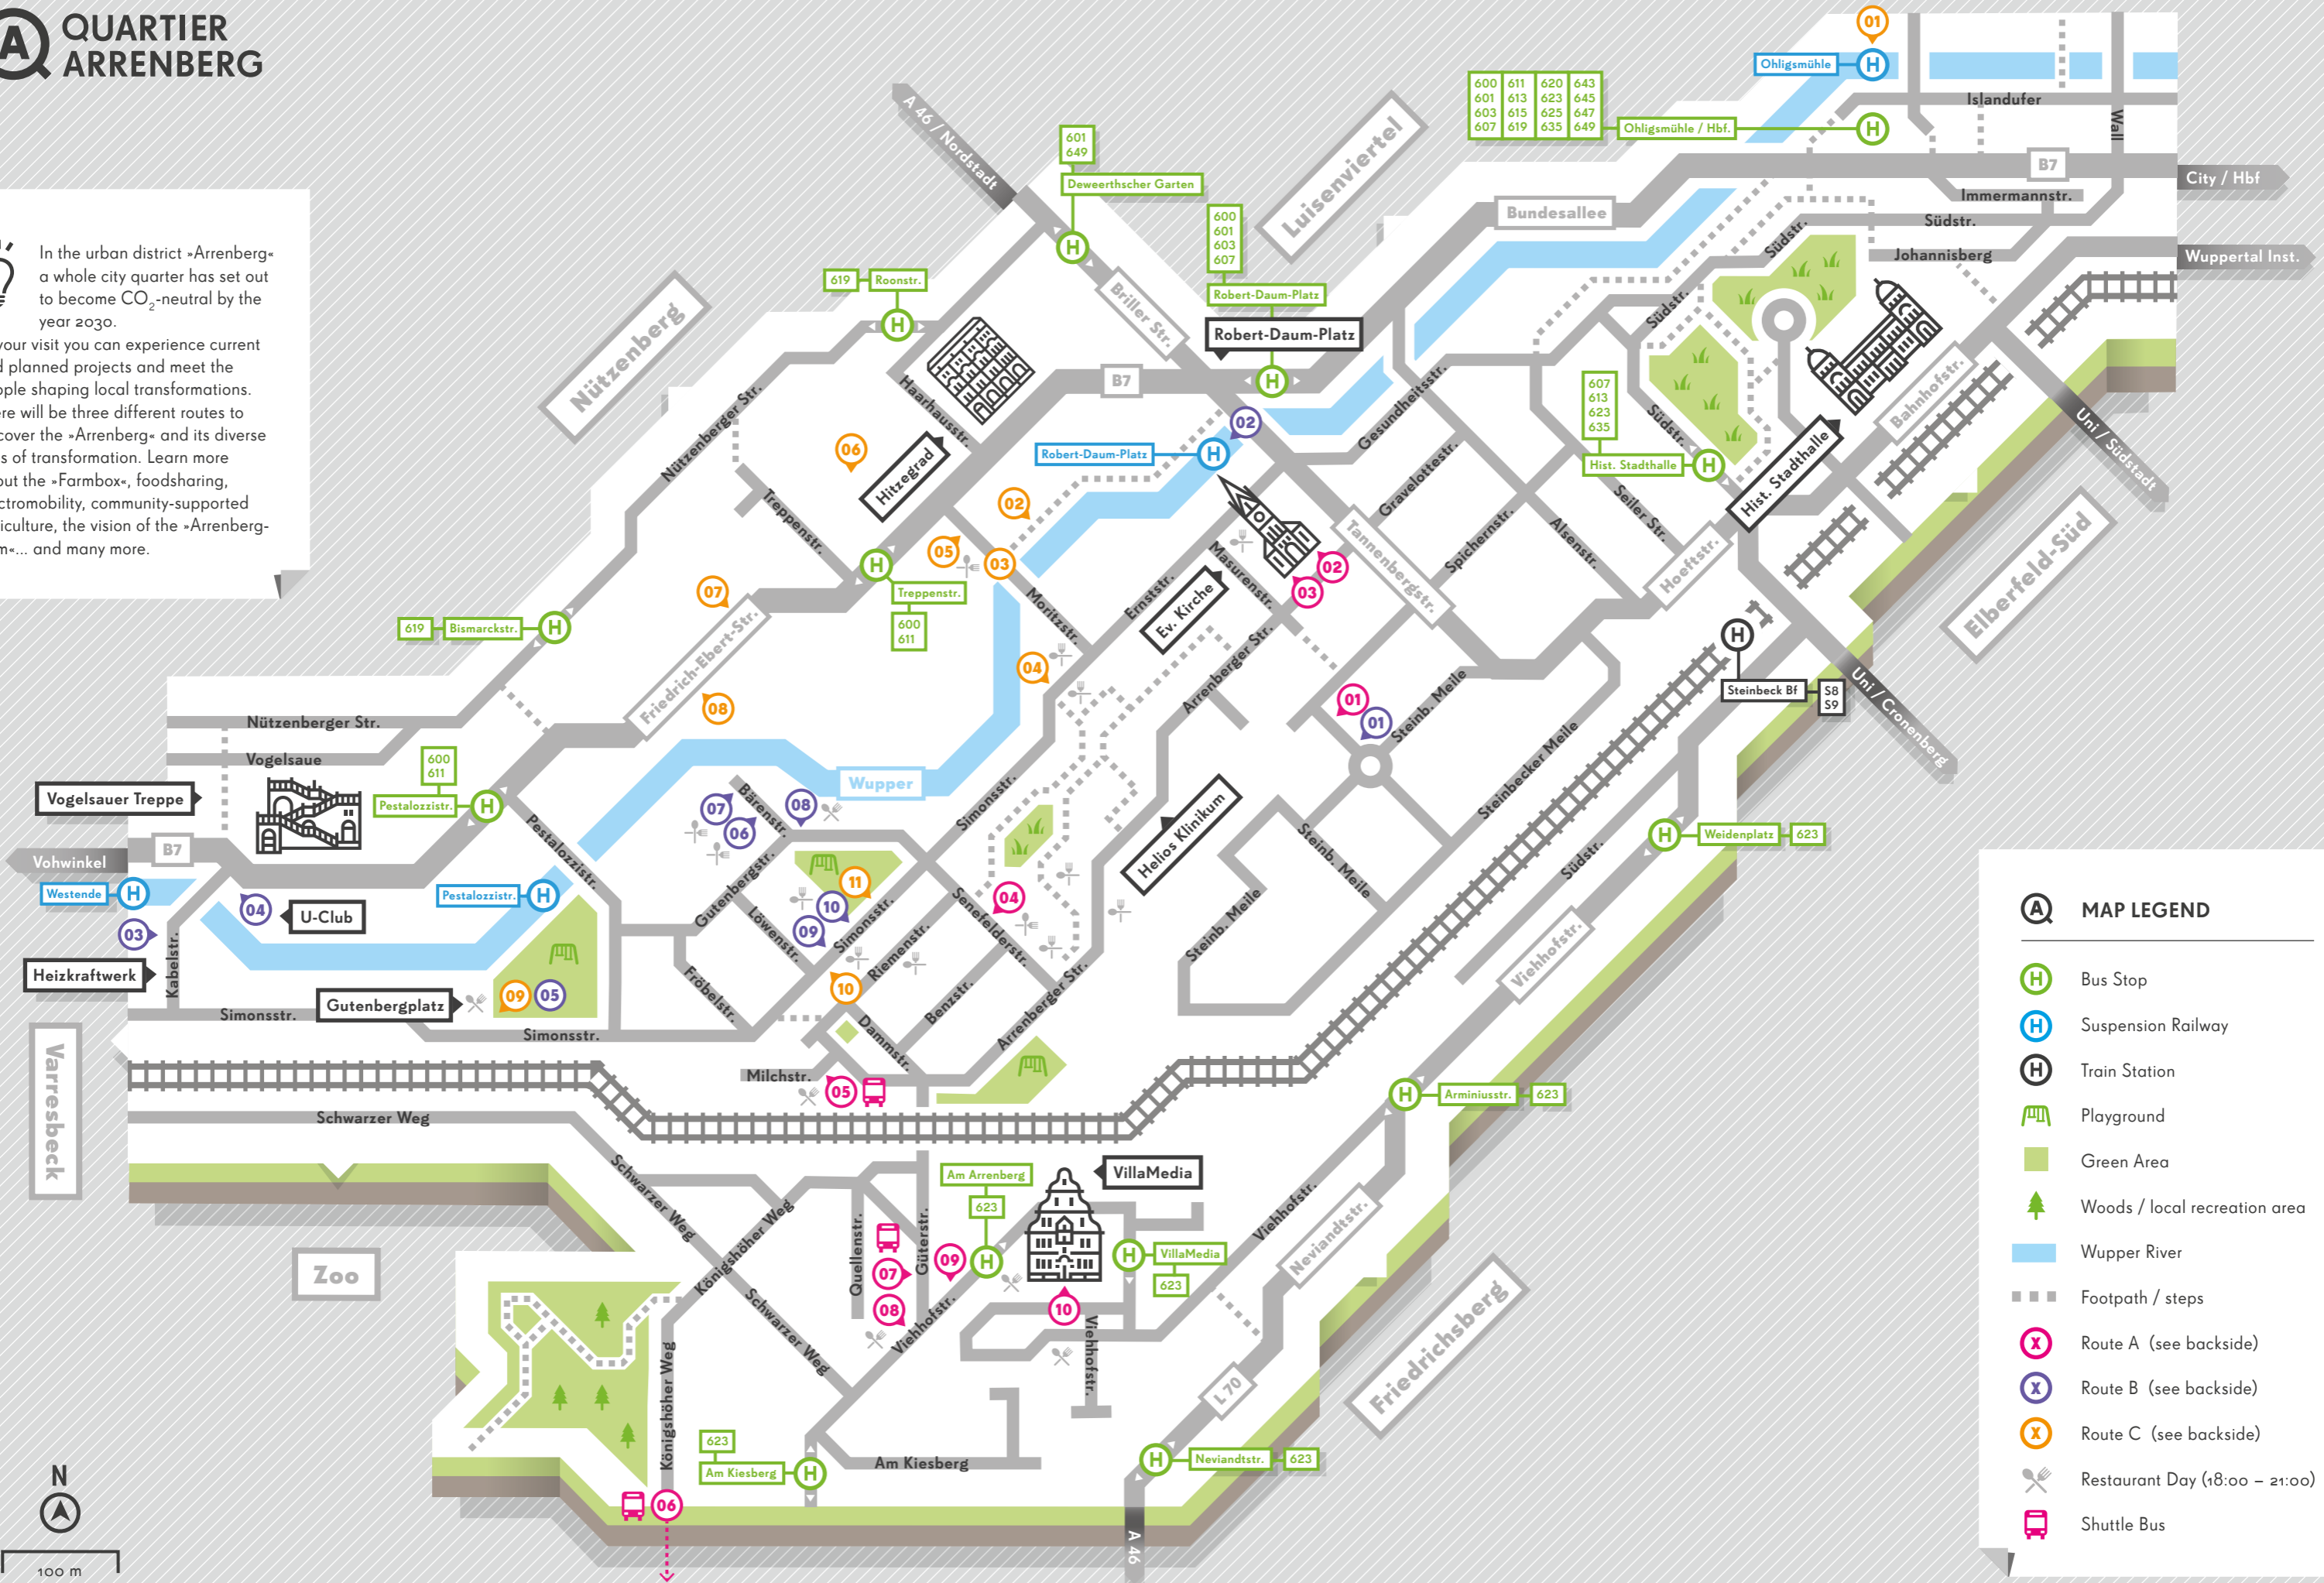

Welcome to Wuppertal

# QUARTIER ARREMBERG

In the urban district »Arrenberg« a whole city quarter has set out to become CO<sub>2</sub>-neutral by the year 2030.

At your visit you can experience current and planned projects and meet the people shaping local transformations. There will be three different routes to discover the »Arrenberg« and its diverse sites of transformation. Learn more about the »Farmbox«, foodsharing, electromobility, community-supported agriculture, the vision of the »Arrenberg-farm«... and many more.
